**SUPERFAX**    JS-180

| Specifications | | |
|---|---|---|
| Paper size | : | A3W ～ B6 |
| Paper width | : | 127 – 329mm |
| Paper length | : | 187 – 483mm |
| Tray capacity | : | Max. 1000 sheets of 80gsm |
| Jogging system | : | V-shaped & Angle adjustable |
| Weight | : | 27kg |
| Measurements | : | 490(W) x 370(L) x 590(H)mm |
| Power | : | 110/120V or 220/240V, 50/60Hz |

**Features**

◆Feeding Accuracy
Certainly reduces double feeds and mis-feeds in high speed copiers, digital duplicators and printers.
◆Static Removal
Recommended to be used before collating, folding, binding and cutting for more efficient working.
◆Adujstable Tilting Angle
Adjustable tilting angle of table is good for horizontal or vertical jogging dependent on paper thickness.
◆Paper Tray
Large paper loading capacity (Approx.1000sheets) also good for B6 to A3 size papers.
